DETAILED ACTION

1. This is in response to applicant's argument filed December 5, 2006, in which claims 1 through 16 are pending.
2. After further search and thorough examination of the present application and in view of applicant's argument, claims 1 through 16 are found to be in condition for allowance.

Allowable Subject Matter

3. Claims 1 through 16 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: the prior art of record Yamada et al. teaches UBS transceiver that interfaces with computer has a program that judges the communication state, cable communication or non-communication and restrict (abstract).

On the other hand, the present application teaches programmed to map mass storage in said personal computing device as specified by said device selector to a shared resource over a wireless network established through said wireless data transceiver. These limitation, in conjunction with all other limitations, has not been disclosed , taught or made obvious, over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
